Education Week continues this week with three important events. Today at 12:30 we launched a book “Our Diggers”. It is about previous QPS students who enlisted for WW1. The book has been researched by John Cope who told a story from the book. The Intermediate Choir sang ‘From Today’, and a student from each class rang a bell for peace.

The Friendship Garden was the focus after lunch as students and their family members lay pavers to build the pathway.

Targeted Early Numeracy - Tuesday evening is the final event – an evening for parents in the Library to learn about TEN.

This opportunity builds on last Tuesday's fun when parents were invited to visit St1 classrooms to play TEN games. All parents are welcome to attend on Tuesday evening to build their capabilities to support the development of early numeracy strategies in all students. Mrs Jill Hadobas and Mrs Lorraine Merchant will facilitate the evening.
