P&C Art Exhibition

On Friday 16 October the P&C held a very successful art exhibition to celebrate children’s learning in the visual arts. The students visited the exhibition during day and again in the early evening with their parents and other family members. This exciting initiative was an opportunity for families and community members to be involved with the school and an opportunity to showcase the students’ creativity and diverse talents.

Each class and many individual children had artwork displayed in the exhibition. The range of work varied from a Giant’s Necklace, portraits in the style of Picasso, clay work, screen printed prayer flags, delicious looking artificial food, scream art, watercolour paintings, photographic art, quilling and mosaic garden stones.

Congratulations to Maya, Rylee, Rhys, Lily, Natalia and Georgia who were awarded P&C prizes and to Claudia who received the Principal’s choice award, for their individual artworks.

Thank you to the students, teachers and the P&C for their great idea. Everyone who attended enjoyed listening to the calming sounds of Japanese music while viewing the artwork.
