For Every Child, A Better World
The second topic framed by the United Nations Convention on the Rights of the Child is focussed on keeping children safe.

Article 19: Children have the right to be properly cared for and protected from violence, abuse and neglect.

This Wednesday 25 November is White Ribbon Day. Schools in Queanbeyan have been invited to participate in a student luncheon. Our school captains and prefects will attend to listen to role models from our community speak about eliminating domestic violence. The student leaders will bring their learning back to school. We will use the ‘kids teaching kids’ methodology to educate all students on the importance of building respectful relationships. Children who begin to think about others with understanding and compassion grow up to be understanding and compassionate adults who will make the world a better place.

School Yearbook – Memories of 2015
Our school yearbook is an excellent record of the many individual, team and class achievements that we have had this year. Grandparents’ Day

Students in Years 1 and 2 have studied a unit of work called ‘Past and Present’. On Friday 13 November, many grandparents visited classrooms to talk about what their life was like when they were young. They told their stories and listened to the children’s stories. Together they discussed the similar and different experiences they have enjoyed. The visit ended with everyone sharing morning tea.
