P&C News

Thank you to everyone who participated in the bulb fundraiser, it was a terrific success, making over $1,500 in profit. This money has been used to purchase a new weather proof notice board. The suggestion for this purchase was made through feedback given in the parent survey at the end of Term 1.

The noticeboard is located inside the school grounds near the entrance gate on Thorpe Avenue. Information about P&C activities and events will be displayed on the noticeboard. All parents are invited to 'stay in touch' by reading the items on the board and contributing ideas by email to the P&C members qbnps@pandcaffilliate.org.au

In addition a P&C suggestion box has now been placed in the Front Office. Parents can give their feedback comments and ideas to the P&C via this box. It is a good idea to include your contact details so we can follow up on your suggestions and respond to let you know what action and progress has been taken. We encourage all parents to become involved and contribute ideas. This will enable our P&C to be effective in influencing school decisions and helping the school community.

See you at the P&C meeting tonight.
