Kindergarten Teddy Bears’ Picnic
Friday 26 June 10:15am

This Friday we are holding a Kindergarten concert and Teddy Bears’ Picnic at 10:15am in the school Hall. Preschool children are invited to join us. Kindergarten will perform several songs with actions. They should bring a teddy or soft toy to school on Friday to join in the fun. After the concert we will host a picnic morning tea on the new grassed area. Families are welcome to join their children and have morning tea on a picnic rug under the trees.

Bluearth – QPS Movers for Life
At Queanbeyan Public School we value the role movement and physical activity has to play in the development of our students. Recognising that all our students have different passions as to how they express their movement, we want to give them the broadest possible experience towards developing their physical literacy. We need your help to further develop our engagement with the Bluearth Foundation. From learning sports and games, to fundamental movement skills, to a more mindful approach to our breathing, posture and awareness, together we are helping our students become the best possible movers they can be. The partnership also gives our teachers the best training possible so they can continue to support these great experiences. Please visit: https://teambus.com.au/queanbeyanps

2015 Girls James Hird Cup

With pride and passion for the maroon of Queanbeyan Public School, the girls AFL team took to the field at Phillip Oval on 10 June 2015. As defending champions, the girls were looking forward to a tough day at the office.

Holly Whitehead set the tone from the first bounce as she skilfully delivered the pigskin to the midfield magicians of Kallie Gumm and Tabetha Schweiger. Claire (‘I’m all over it’) Robinson pounced at every opportunity and applied more pressure to the opposition than a carpenters vice. Time and again, the midfielders bombed the ball into the forward line, where a new superstar was born. Rachel Scattergood effectively used her body to out-bustle and out-muscle everyone in her way. She finished the day with a goal tally Jeremy Cameron would be envious of. Other forwards to share in the goal kicking duties were Amy (‘I’m not singing’) McAlister, Laura (‘Why didn’t I play last year’) Warner and Erin (‘reliable hands’) Murphy. Abby Britton, Tamia Fensom, Maddison Gibbons, Lara Pulciani and Staci Grame showed their versatility all over the park as the girls made the opposition work hard for every possession. Winning four out of the five games (by substantial margins) it was in the end only one kick that stopped us bringing the silverware back to school. In our closest game Radford just pipped us at the post 13 to 10. Special thanks to Cathy Solomos for driving the bus and boundary support!

Well done girls—there’s always next year. (Bring it on!) Wendy Jolliffe
