Library News
The Premier’s Reading Challenge finishes on August 21 2015. St2 and St3 students must read a minimum of 15 PRC books and a maximum of 5 personal choice books, totalling 20 books and enter them online, in their Student Reading Record. Students can access their Student Reading Record to add books at any time while the Challenge is open. Students use their individual usernames and passwords to access their Student Reading Record. Kinder and St1 students are completing the challenge with their teacher, and the reading record is completed by the teacher librarian. The Challenge aims to encourage in students a love of reading for leisure and pleasure, and to enable them to experience quality literature. Please check with your St2 and St3 students, to ensure they are recording all the books they read and are on track to complete the Challenge in the required time. The Library is available to support any students having difficulty completing the challenge. There are many books available at every level, so the PRC is easily achievable by all students. If you require more information or feel your child/ren need some help please drop into the Library, or email me at frances.handley@det.nsw.edu.au

Regional Cross Country Carnival

On Friday 29 May eight QPS students travelled to Nowra with their families to represent the Queanbeyan District at the Regional Cross Country Carnival. These children were: Laura Warner, Jasmyn Boutzos, Daniel Baldan, Lachlan Baldan, Jack O’Loughlan, Emilia Hendry, Brydie Williams and Cohen Stonham. All the students were competitive in their age groups and ran well. They appreciated having their families encouraging and supporting them, cheering them on, giving them ideas for strategies and calming them down when they felt nervous. The students participated in a variety of training activities that helped to build their strength, breathing capacity and fitness. Some of these activities are running with their parents on the weekend, participating in Little Athletics, running around the area near their homes and joining the school run club with Mrs Bryant.
