State Champions!
What a journey these students have enjoyed. They have conquered seven rounds of competition to claim the title. They were determined to get over the hurdle of the quarter final where they have come to a stop the last two years. Once this was achieved they were eager to keep the momentum going through to the final.
Mrs Kristina Thelning managed the team. Students felt she helped each of them achieve their best in each game. Parent and coach, Nick Boutzos, developed a positive plan built on great team work. The students supported and encouraged each other to grow a strong team spirit.
Congratulations to the eight students - Paige Boutzos, Olivia Whitby, Holly Whitehead, Alexandra Ciechan, Claudea Andrews, Jasmyn Boutzos and Kallie Gumm, who displayed sportsmanship throughout the competition.
Thank you to the parents who provided continued support in this successful journey.
The schools they defeated along the way were – Queanbeyan West, Bungendore, Goulburn West, Illaroo Road, Regentville, Edward and Dubbo South. Well done to the team!
At the Goulburn Eisteddfod on Monday 7 September, the Senior Choir took 1st place in their section with their performance of ‘Danny Boy’ and ‘Silent Moon’. The adjudicator reported: ‘A lovely clear sound from the beginning and a good dynamic range displayed.’ Congratulations also to the Intermediate Choir who gained a ‘Highly Commended’ for their performance of ‘Give me a Kite’ and ‘The Grand Old Duke of York’. In the adjudicator’s words: ‘A good, clear sound and great rhythms.’
The choirs were led by Miss Veronica Milroy and accompanied by Mr Alexander Kovic Schmidt. This year for the first time the school had two entries in the Special Education section.

The boys of 3-6B were very excited to receive a trophy for their rousing performance of the class song they wrote to the tune of ‘I Am Australian’. They travelled a long way on the bus and then patiently waited for three hours till it was their turn to perform. Well done boys.

Blayze McInerney came 1st in the Special Education section with his original song ‘Kubbadang Daramulen’ – Ngunnawal for ‘Moon Dreaming’. He had permission from Ngunnawal Elder Auntie Louise Brown to perform it. It is the first trophy he has ever received and it was extra special because mum and dad were there to see him perform.

The wild bunch of ‘party animals’ above performed their original song – Party Time. The song was written by Mrs Crowden’s and Mrs Radoll’s Stage 2 CAPA group during Term 3.
The performers were Miah Furniss, Scarlet Lowe, Karen Nicola, William Bush, Jack Lloyd, Anthony Ferry, Hayden Rainey and Blayze McInerney.
They were excited to win the 2nd place trophy.
All the ‘animals’ enjoyed themselves and did their school proud.
Woof, neigh, miaow!

Apology – The link in last week’s Isa News to enjoy the Senior Choir performing two songs at the Australian National Eisteddfod was added incorrectly.

Book Week 2015

The week opened with a staff dress up day. There were lots of ‘Things’ and The Cat in the Hat. The library was transformed into an amazing wonderland with lights everywhere shining on student posters and models together with class displays and teacher lanterns. Every contribution shone the light on a favourite book. Students also enjoyed a dress up day when they came to school as a book character.
