Preparing for School - Kindergarten 2017
Enrolment and Orientation Information

Starting school is an important step for every child and their family. To help prepare children for the routines of primary school, Queanbeyan Public School is hosting and supporting a series of events for local pre-school aged children. These events are open to all pre-school age children and their families in our community who are thinking of enrolling at Queanbeyan Public School for 2017. (Please read the attached flyer for details of these events.)

Families wishing to enrol their children in Kindergarten 2017 at Queanbeyan Public School need to complete an enrolment form and return this form to the school with copies of the birth certificate, immunisation record, proof of address and other relevant documentation, by Friday 26 August 2016. Enrolment forms are available at the front office of the school or they can be downloaded from the school or department websites.

Teachers have begun preparing ‘Stepping Stones’, the 2017 Kindergarten Orientation Program. Information will be posted to families, who have submitted enrolment forms, by the end of September 2016. If you have returned an enrolment form and do not receive the ‘Stepping Stones’ information by this date, please contact the school by email or telephone.

Attendance at the orientation sessions gives children an opportunity to become familiar with the school and some Kindergarten routines. Teachers also have an opportunity to get to know the children and observe them in a classroom setting. All children applying to attend Queanbeyan Public School in 2017 are expected to participate in the orientation sessions over the three weeks on Thursday 20 October, 27 October and 3 November 2016.

A parent information session will be held on Wednesday 2 November from 6-7pm in the school hall. This is an opportunity for parents to meet the Principal and hear about the school.

We look forward to welcoming you to Queanbeyan Public School.
